

# HI BRECKLAND Y9s! WE ARE YOUR HIGHER EDUCATION CHAMPIONS!

And we have a message for you!

Some of you are feeling anxious over what you may think is the first big decision in your life. That's ok! That's normal. So we've put together a short video to help you make an informed decision. When you've finished watching, have a go at the quiz below!

## NEXT STEPS

Research the jobs you wrote down – can you find out if you need a degree for those jobs? Work backwards and think about what level 3 qualifications you might need to do after your GCSEs and that can help you to select options now. The Future Planning Pyramid on the next page will help you to do that.

Get in touch with your HECs Kit or Emma if you want more support and advice! Just ask your mentor.

Talk to your teachers and parents/carers about the topics we've covered today. Listen to their advice but in the end it is your decision to make.
